Water Gas.

Aurora, Ind., Jannary II.—This city has been lighted for two weeks with water gas by the Sanders' process. It far exoceds coal gas in hrilliancy and cheerfulness and has not failed, on a single occasion, since first lighting. Only the small retorts are used, which generate the night's consumption, supplying over 500 burners, through 7,000 feet of iron pipe. The success is complete.

Working-Men's Convention.

PITTSBURG, Jan. 11.—There has been a mass Convention of Working-men to night, which consisted of an immense gathering. Henry B. McClarty, President of the Trades Assembly, was called to the Chair, and W. H. Moody, of the Typographical Union, Secretary.
